

ACCOMMODATION 7 GETTING READY F.A.Q

Q - How many rooms do you have?

A - We have 10 rooms onsite.

Q - Do we have to book all 10 rooms?

A - Yes, as we are unable to open rooms up to the public on the night of your Wedding, the nature of a Wedding means people walking past doors late at night (and often a little merry, lol!).

Q - What would be the maximum capacity if we filled every room to capacity?

A - As some rooms are family rooms, if every room was full to it's maximum capacity (except Bridal Suite, assuming that was just the two of you, lol!) we could host up to 30 Guests over 10 rooms.

Q - Are there other Hotels closeby to stay?

A - Yes, plenty! Within a 5-10 minute taxi ride there is a huge amount of choice, something for everything's taste & budget! The closest Hotel with over 100 bedrooms is less than £10 in a taxi, Q Hotels Golf & Spa Resort in Madeley. If you want to view other accommodation in the area pop our postcode in to Google and it will show you Hotels, B&Bs, Campsites etc in the Map. Our postcode is TF11 9EE.

Q - Can I stay the night before?

A - You and your bestie can stay in our Bridal Prep Carriage the night before, overlooking our beautiful gardens (£120 - £140). If you'd prefer to stay in the Hotel and/or have more of your Bridal Party stay with you, we can only allow to book a room for the night before if they're still available at your final meeting i.e if rooms are available because we do not have a Wedding the day before.

Q - When can I get in to the Bridal Suite?

A - You can check in to the Bridal Suite from 11.45am at the earliest, so we recommend having hair & make up done at home and just leaving getting dressed before your ceremony or using our Bridal Prep Carriage (see separate FAQ doc)
