

CHURCHES F.A.Q

Q - Do you have Churches close to you?

A - There are 6 beautiful Churches within a 10 minute drive of us, with 2 being less than 1/2 mile away, St Chads Church in Norton in Hales and St Marys Church in Sutton Maddocks.

Q - Do we contact the Vicar?

A - Yes, they will only deal directly with you, if you are not familiar to the Church you are choosing, please Google the Church location and this will give you the details of who to contact.

Q - How much is a Church Wedding?

A - The price will vary from Church to Church and depends on what you are having i.e Bell Ringers etc. We recommend you contact your preferred Church directly.

Q - We are undecided if we will have a Civil Ceremony or a Church Wedding, what are the difference in timings?

A - If you have a Church Wedding, we recommend the service starts earlier than a Civil Ceremony onsite (around 12.30pm instead of 1.30) as the service is longer, you have transport times to get here and you always have around 30 minutes of photo's too, so maybe 12.30 ceremony at Church would mean you'd arrive here around 1.45-2pm if C of E Church service or later with Catholic service. Whereas a Civil Ceremony the ideal time is around 1.30pm.

Q - What happens when we arrive?

A - Everything will be set up ready for your arrival. We ask a member of your Bridal Party rings us as you leave Church so we can have your drink poured fresh ready for when you arrive! A member of the Wedding Team will greet you and your guests and show you through to the Marquee & Garden area until you are ready to move through in to the Barn for your Wedding Breakfast.

Q - If my Church doesn't allow confetti can i can a confetti shot here?

A - Of course, you can grab your shot outside the Barn at anytime, using biodegradable confetti or petals?
