

## I am the Gallery above the Bar!

*Your Evening food  
will be served by our  
lovely team up here,  
so you keep all the  
ground floor for  
Partying and Shaking  
your Shimmy!*

*Our DJ will make  
regular announcements  
when the food is served  
so your guests know  
where to go!"*

## Welcome to your recommended Evening Reception lay out!

*"We are flexible to your needs, if you would like this space  
setting up differently it's no problem!"*

*Turnaround time is nice and quick –you'll be in the Hotel or  
Gardens for just 30-40 minutes then the Barn will be pristine  
again and ready to party the night away!"*

## I am the Gallery at the far end

*Because I am directly  
above the DJ it tends to  
be a little quieter up  
here! I'm handy for  
extra seating however  
you can use me for...*

- ♦ Photobooth
- ♦ Chillout area
- ♦ Casino area
- ♦ Games or Children's play area
- ♦ What ever you fancy really

*(within reason – we'd probably  
say no to Lions or Tigers!)*
