

GENERAL F.A.Q

Q - How Many Guests Can You Accommodate in the Day and the Evening?

A - Maximum capacity for a sit down meal is 120, or 140 for your Evening Reception. If you need more space we can bolt a marquee on to the front of the Barn, please discuss this with our Wedding Manager to discuss the various sizes and costs.

Q - Will ours be the only wedding at your venue on our wedding day?

A - Absolutely! We believe that you shouldn't have to share your big day with anyone other than those you love! The Tithe Barn and Gardens are all yours!

Q - Do you have enough parking for our guests?

A - Absolutely, as well as the main car park, we have a second car park which runs the whole length of the back of the Barn and round the corner!

Q - Are you suitable for wheelchairs and pushchairs?

A - Yes, our venue is easily accessible. We provide both disabled toilet facilities and a baby changing facility. Unfortunately all of our Hotel bedrooms are accessed by stairs, with no lift. The nearest Hotel with bedrooms with lifts is only 5 minutes away.

Q - Do you have recommended suppliers?

A - We have lists on our website of people we've worked with and loved but we don't hold you to this, you're free to choose whoever you want to, it's just there to help if you need it?

Q - Do we get exclusive use?

A - The Barn, Marquee & Garden Area are exclusively yours throughout the day. There will be Restaurant diners within the Hotel, however there's is no "crossing" of guests and our Wedding teams are totally dedicated to you! You get the added bonus of being able to come back to celebrate your Anniversary and Birthdays, something that fully Exclusive venues can not offer - once you've left the building, you don't get to return, with us we LOVE to see you again!

Q - Who will be our point of contact leading up to our Wedding?

A - We have a wealth of information on our website, with around 99% of commonly asked questions available to view anytime after booking, however anything you need along the way Gemma & Jo are on hand to help.

Q - Can we add guests on?

A - Our maximum capacity is 120 for sit down Wedding breakfast or 140 for Evening - so feel free to increase numbers up to this limit, although a marquee can be bolted on to the front of the Barn should you require more space? We won't take your final numbers until 6 weeks before the Wedding so plenty of time for fluctuation!
