Tithe Barn

Our beautiful 17th-Century Tithe Barn is at the heart of your day—your ceremony, wedding breakfast, and evening party all happen right here, so everything flows perfectly from start to finish. With cooling air conditioning in the summer and toasty underfloor heating in the winter, it's a gorgeous space all year round.

The Barn is totally self-contained, with its own bar and toilets inside, keeping the atmosphere in one place.

We're fully licensed for civil ceremonies, too, local registrars are based at the **Bridgnorth Registry Office**—you can reach them on **0345 6789016** to chat through ceremony details.

Seating up to **120 guests** for your Wedding Breakfast and up to **140** for your Evening Reception. If you're planning something a little bigger, just let us know, we have ways!

The Garden Room

The Garden Room, is our gorgeous oak-framed timber building, new from Autumn 2025. Enter through “The Snug”, a converted stables in the Courtyard, just a 10-second walk from the Tithe Barn—it’s close, cosy, and full of character.

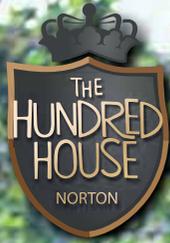

The Garden Room has its very own **fully fitted bar**, so your guests can arrive, grab a drink, and catch up before the ceremony. It also features a beautiful **feature wall**, meaning that even if the Great British weather misbehaves, you can still get group shots indoors!

After your civil ceremony, or when you arrive from Church, your drinks reception will be ready and waiting. The room opens out onto a stunning landscaped patio area that’s perfect for canapés, chatting, garden games, and photos.

Later on, while we work behind the scenes to transform the Tithe Barn for your evening party, you’ll pop back down to The Garden Room for around 45 minutes—just enough time for another drink and a catch your breath, before the party begins in the Tithe Barn.

The Garden Room is included in your wedding package. It even comes beautifully decorated with table centrepieces and an easel for any cute signs you’d like to bring along. You don’t need to spend an extra penny, but if you want to add in your own personal touches, we’ll pop them out for you on the day.
