Testimonials

"The staff at the hundred house were all brilliant, from start to finish. They are lovely people who cared that we had a great day and we're so accommodating. The wedding planner was knowledgeable and made our wedding flow. On the day they made the day so enjoyable because we didn't have to think about anything!"

Mrs Rebecca Peck

"Gem, Jo and team went out of their ways to help us achieve such a wonderful, perfect day. Nothing was too much trouble. On the day of the wedding if we asked for something doing it was only to find they had already done it without being prompted. We wouldn't change a thing about the day and that is mostly due to how fantastic, prepared and organised the events team were for every eventuality. Really cannot praise or speak highly enough about the team!!"

Mrs Sarah Dadswell (Laycock)

"Can't fault anything from the hundred house. From day one the team have been amazing. Jo was amazing and knew what I wanted straight away. Nothing was too much to ask and emailed me straight back with any answers to my questions.

Our wedding day was amazing and by far the best day of our lives."

Mrs Jessica Lambeth (Sims)

"The Hundred House felt special as soon as we got shown round the barn and secret garden and then we started talking to Jo and she was just excellent at being able to allow me to go off on tangents but brought me round to what I wanted and she found a way of making all of my silly questions and requests happen. The venue made us feel like the most important people in the world during the planning, lead up, all the way to the actual day. The best experience for a wedding we could've wished for xx"

Mr Matthew Smith

...the perfect wedding venue

"The team at hundred house were exceptional, they made us feel like we were the only wedding that year. The wedding co-ordinators made us feel so welcome and helped us to create such a wonderful day and we can't thank them enough. Their attention to detail, planning, hard work and creativity really made our wedding perfect and unforgettable. Nothing was too much for them during the build up to the wedding and on the wedding day, they'd do anything for us."

Mr Lewis Maskew

"Our event manager, Gemma, was incredibly professional, organised, patient & most importantly very approachable, friendly and calming. It is clear from how well run and structured our day was that the communication between management, the kitchen & support staff was of the highest quality. Everything went as meticulously planned. Not only, Gemma but the whole team at the Hundred House worked incredibly hard on the day ensuring that our guests were well looked after. We couldn't have been happier."

Mr Sam Mallett

"Couldn't of asked for anymore from all of the team, they obviously had a wedding the day before ours also but we still felt like we were the most important people to them at all times. I never had to worry about a thing. These guys literally live and breathe the weddings they organise and we would pick this venue again a million times over!"

Mrs Jenny Edgerton (oliver)

"The Hundred House captured the vision we had for our day flawlessly! The barn looked stunning and surpassed even our highest expectation, I could've burst into tears when I walked in and saw how stunning it looked!! Guests are still commenting on the amazing food and the service delivered from all staff. Gem and the team made time to answer my every query and I was at ease knowing she understood what I hoped the day would be. We cannot thank the staff enough for delivering our perfect day."

Mrs Elizabeth Masi

The Hundred House isn't like every other wedding venue, it's not just a business it's a family and that's how the team make you feel from the start to the end of your special journey.

Gemma Harley

From our initial enquiry through to the wedding day, the professionalism and expertise of the team at the Hundred House was outstanding. Every detail was taken care of by the team and I cannot begin to tell you how stress free this day was!

Sharon McClelland

Even though there were many other venues near us the hundred house stood out miles above the other. The character, warmth, friendliness and down to earth feel of the hundred house drew us in even more. There is a feeling of family and nurture that spills from everyone who works there. We often go for Sunday lunch and when we do we are greeted with love and recognition. Gemma and team couldn't have been more helpful through our journey.

Helen Popplewell

What a fantastic venue. From start to finish we were well looked after with a wedding planner throughout the process. The day itself was incredible made only better by the wonderful staff, incredible food and beautiful location. We would recommend this venue to anyone getting married. Michael Perry

From the moment we went to The Hundred House, we knew this was the perfect venue. The staff were so friendly and approachable, they listened to our vision, offered their expert advice and nothing was too much trouble. The wedding day itself was just amazing from start to finish. Our wedding experience surpassed all of our hopes and expectations due to the wonderful team here.

Charlotte McArdle

We had an amazing day that we're still being complimented on a year later. It's only now having helped a friend plan their wedding that we have realised how easy we had it at the Hundred House. Gem made everything so easy and really made the whole process reasonably stress free. The room looked absolutely stunning and we didn't have to worry about decorating or clearing up! They did a wonderful job and we always felt well guided and never like we didn't know what to do next.

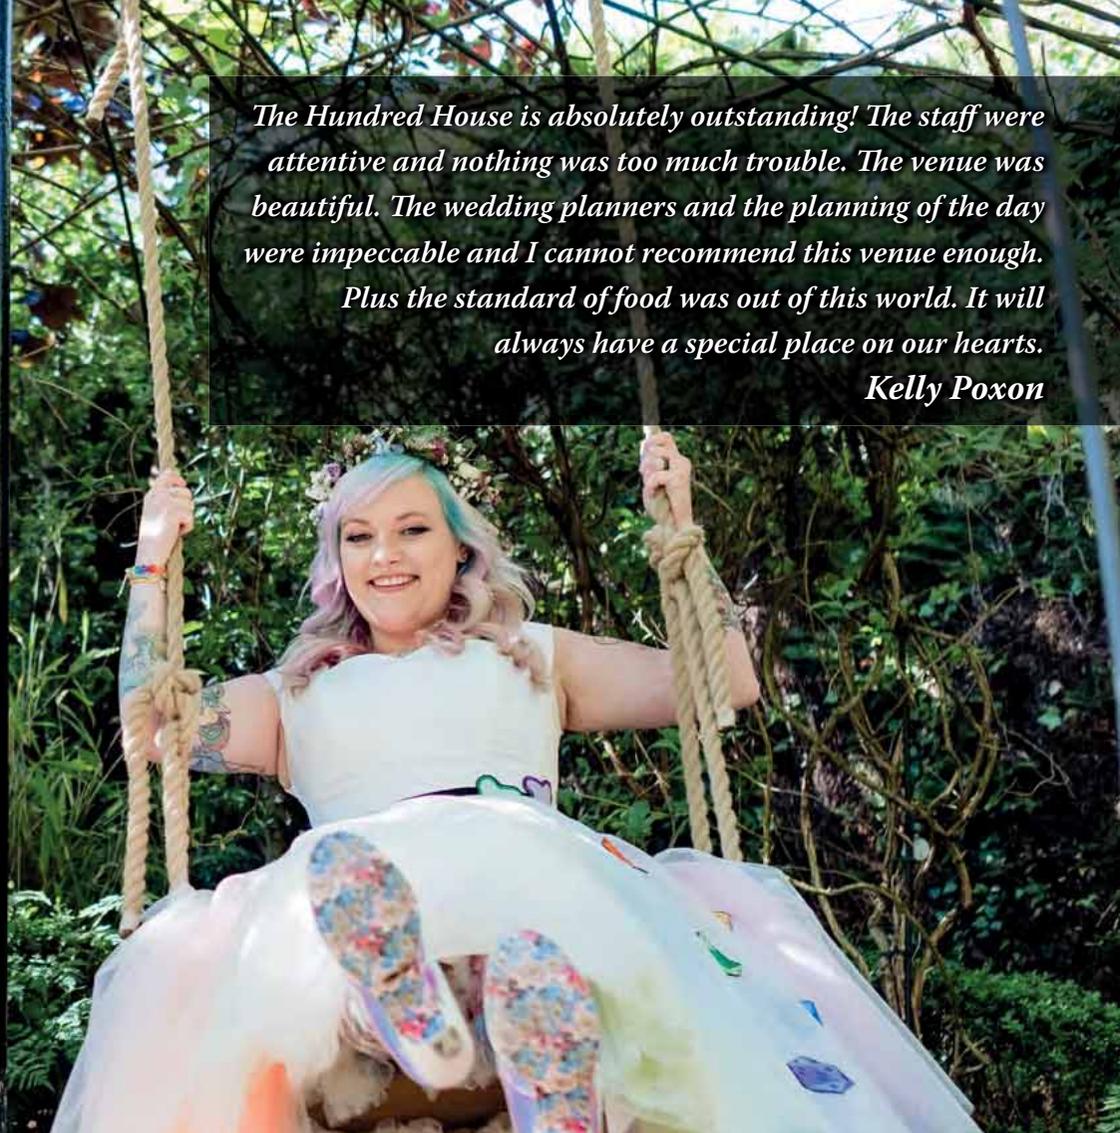

Thanks Hundred House.

Cheryl Ludlam

The team at The Hundred House helped us to really create our dream wedding, it was seamless and stress free. I cannot thank and praise them more. Our family stated it was by far the best wedding they had ever attended.
