

# *TIMINGS OF THE DAY F.A.Q*

**Q - Can you tell us a bit about timings throughout the day?**

**A - We recommend a Civil Ceremony time of around 1.30 for Civil Ceremonies (or a little earlier for Church Weddings to allow for a longer ceremony and transportation, once we know your Churches location we can advise you on this).**

**For a 1.30 Civil Ceremony, your day flow as follows...**

**12.30 pm Guests Arrival at hotel**

**1.30pm Ceremony**

**30 mins for Ceremony - leave barn at 2pm**

**1 ½ hours for drinks/canapés and photos**

**In to barn for 3.30pm**

**Approx 2-2 1/2 hours for Wedding Breakfast and speeches (depending on the length of speeches and if tea & coffee is required after dessert?)**

**Turn room around approx 5.30-6.pm, depending on above**

**Time needed to turn room around for evening depends on which type of entertainment you have, if it's our DJ it's 30 minutes maximum, if it's a band (acoustic of course!) it's however long it takes them to set up (which on average is at least an hour, sometimes up to 1 ½ hours!)**

**License is until 12 in barn (bar shuts at 11.30, music off at 11.45)**

**Late bar in hotel available for residents, staffed until 1am but you can stay down for as long as you like if you wanted to order plenty at 12.55!**

**Q - How flexible are you with timings?**

**A - Very! During our meetings we can guide you through "ideal timings" but if you want something totally different that's cool with us, after all, it's your day! On the day we flexible too, if you've planned your first dance for 7.30pm but your long lost Uni friend has just walked in, no sweat, we'll hang fire until you're ready!**
