

WEDDING BREAKFAST F.A.Q

Q - What if I need help with my table plan?

A - No problem, during your first meeting we can advise you on some choices of an ideal layout based on your numbers. We also have various sized tables to make life easier. Once you're decided on your layout we can email you a table plan template to fill in and send back to us.

Q - Who announces us in to the room?

A - We do, once all guests are seated we'll announce you in to thunderous applause! Of course if you have a member of your Bridal Party that would like to do it we'll make sure they have everything they need!

Q - Can we have music playing?

A - Sure, we have a great sound system, do us a playlist to plug in or we have suitable background music we can use? If you wanted live music this is possible too but please talk to us about space first.

Q - Are cutlery, crockery, glassware, table & chairs etc was included?

A - Absolutely, we don't charge any extra, we're totally transparent and won't charge any obscene charges (we've heard some Venues charge for "turning their outside lights on" and "cutting your Wedding Cake") - we're not like that here, we wouldn't be able to sleep at night, lol!

Q - Can I add more drinks?

A - Of course, our package is a starting point but we're as flexible as can be! Add extra drinks or swap your package drinks for different things?

Q - My parents don't quite get along, can you suggest something for my seating plan?

A - Of course, we do get this a lot so you're not the only one! There's a few way to handle it...

1 - Have a "Sweetheart" Top Table, just the two of you.

2 - Have a Top Table long enough to mean when they are at either ends they will be 10-12 ft apart (this will only work with certain layouts & guest numbers so don't bank upon this one until we know more concrete guest numbers).

3 - Don't have either parents at the Top Table and seat them on the table closest to the Top Table, on to the left, one to the right, so they will be at opposite ends of the Barn.

4 - Get a close relative to "have a word" and make then promise "bygones" for your big day! 😊

Q - Do you have a microphone for speeches?

A - Yes, however the acoustics in the Barn are great, it's really not needed unless you feel strongly about it.

Q - Do you have a projector?

A - Yes, you're welcome to use this free of charge, please ask for more details.

Q - Do you offer an after-dinner tea & coffee course?

A - Yes, it's just £2.75 per person and we can serve that after your 3 Course meal or in the marquee whilst we're turning the room around for the evening reception is a lovely way to give guests a little "perk up" before the evening party start, lol.
