

GENERAL F.A.Q

Q - What are your Bar prices like?

A - We're not Wetherspoons but we're not crazy prices either! Think "Picturesque Pub" prices, no one is going to charge you £10 for a glass of wine here (yes, we've all been to one of those Weddings and cried in to our wallets, we're not like that!).

Q - Do you have card machines for guests to buy drinks with?

A - Yes, we have contactless PDQ machines in all areas.

Q - Can we plug our device in to your sound system for music?

A - Yes, yes have a great sound system in the Barn and you can plug in to our speaker in the Marquee too.

Q - Do you have enough toilets onsite?

A - Yes, the Barn has toilets inside, with disabled access & Baby changing in both toilets and the Marquee has it's own toilet block too.

Q - For planning my budget, what sort of things do couples normally require when having a wedding with yourselves at The Hundred House?

A - Pretty much everything you need from us is included in our package! It's just the things that aren't provided by us really, so think about what you and your Bridal party are wearing, Hair & Make up, Rings, Photographer, Wedding Insurance, Honeymoon those are the main ones, then there's other things if you wanted them such as an extra entertainment, Photo booth etc - all these are done to personal taste and budget though, don't feel like you need anything extra, it's up to you!

Q - With the past 12 months around COVID, if the date we have provisionally booked was impacted by any lockdown/restrictions, would there be extra costs if it had to be moved?

A - We very much hope that this won't be the case, however we have been incredibly fair to all our couples who have had to move during 2020/21. Should we have a further wave or new covid restrictions come in the following options would be available -

1. Go ahead with the Wedding, based on the restrictions i.e. whatever the guest numbers were limited to, wear masks, social distance etc. If you went with the option then your invoice would reflect this and be based on the restricted numbers, if you have already paid your final balance, we will refund you the difference.

2. Postpone to a like for like date in the future. The cost of the package would reflect the brochure price you booked with, i.e. any day of the week, month or year changes would be reflected in the package cost. Any deposits already paid would be transferred over, in full, to the new date.
